Manager's message

As winter ends and spring begins, it's the perfect time to travel around South Australia and visit Streaky Bay Foreshore Tourist Park located on the beautiful Eyre Peninsula.

Take a break in one of our very spacious cabins with absolute water frontage or set up your caravan, tent or camper trailer on one of our many powered and unpowered sites with beautiful water views. Bring the family and tell your friends, Streaky Bay Foreshore Tourist Park is the place to be!

Take a drive around the area and admire the picturesque coastline or visit the only permanent breeding Sealion colony in Australia at Point Labatt. There are plenty of things to see and do to keep you busy while you stay with us at the Streaky Bay Foreshore Tourist Park.

After a very successful 12 months here managing Streaky Bay Foreshore Tourist Park, it was time for the Hawes family to enjoy a well-earned holiday. Bali, Indonesia was the destination for 11 nights. We stayed at the Hard Rock Hotel in Kuta and had a magnificent time experiencing the Balinese culture.

We relaxed every second we could, whilst still taking time to swim in the resort pool, eating out at many restaurants and even venturing out to a couple of famous Balinese tourist attractions; the Waterbomb Park and Bali Safari. Bailey and Charlize loved buying their own clothes, hats and DVD's.

We would like to take this opportunity to thank our wonderful staff for all their terrific support and professionalism in looking after the park operations whilst we were away.

Thank you
Darren and Sam

What's been happening?

A recent review of the Streaky Bay Foreshore Tourist Park website revealed that it was in need of some attention. After some lengthy discussions between Council and our website designer "Rocko Designs" we have a brand new website. So please take some time to check it out www.streakybayftpark.com.au and let us know what you think!

From all the team at Streaky Bay Foreshore Tourist Park we hope you enjoy your stay with us!
