

Edition: October/November 2012

Welcome.

What a fantastic time of year to spend with family and friends in the Streaky Bay Foreshore Tourist Park.

Our beautiful weather brings many excited travellers looking for a well-earned rest and the keen fisher's looking for the biggest catch in the most picturesque places.

Enjoy some time out in one of our very spacious cabins with absolute water frontage or set up your caravan, tent or camper trailer on one of our many powered and unpowered sites with beautiful water views. Bring the family and tell your friends, Streaky Bay Foreshore Tourist Park is the place to be!

Take a drive around the area and admire the picturesque coastline or visit the only permanent breeding Sealion colony in Australia at Point Labatt. There are plenty of things to see and do to keep you busy while you stay with us at the Streaky Bay Foreshore Tourist Park.

Manager's message

We have some exciting things happening in October and November, so with the ongoing support and approval from District Council of Streaky Bay, we can advise you all of the following;

Our very spacious brick cabins will receive a new corner lounge, queen bed and single bed bunks. These cabins will also receive a new queen bedspread. These items combined with their recent renewed dining tables, flat screen televisions, outdoor setting and complete cabin kits (crockery, cutlery, cookware etc.), provide this cabin with a well-deserved make over with a brand new feel.

The executive cabins will also receive a beautiful new lounge, queen and double sized bedspreads and complete cabin kits. The team here at Streaky Bay are really looking forward to fitting these cabins out and providing some updated products to our very valued customers.

Thank you
Darren and Sam

What's been happening?

A recent review of the Streaky Bay Foreshore Tourist Park website revealed that it was in need of some attention. After some lengthy discussions between Council and our website designer "Rocko Designs" we have a brand new website. So please take some time to check it out www.streakybayftpark.com.au and let us know what you think!
